Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount in damages is more than \$75,000 is a diversity of citizenship case.

IV. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received. I am emotionally stressed. I had to take melatonin because my anxiety was so bad. Every time I receive a letter in the mail from Collection Recovery Services, Inc I am afraid to open it. When I do get a chance to open it my heart starts racing extremely fast, sometimes I feel like I'm having a mini panic attack. There was even a point in time where I stopped answering unknown callers because I feared it would be them. That caused me to miss out on a job opportunity that I was really looking forward towards.

V. Relief:

State what you want the Court to do for you and the amount of monetary compensation, if any, you are seeking, and the basis for such compensation.

I am suing for the amount of \$6000. I want all of my personal information permanently removed from their system. They are misusing the use of my personal information by sending me inaccurate information that isn't even listed on my credit report. The account they are referring to has been closed since February 2018, with exceptional payment history. I want them to stop sending me letters with inaccurate information on it. They have sent me over 10 letters in the mail dating back from March 2018. I am seeking my funds for the violation of my personal information, for the medicines I had to take to cope with the stress I was receiving.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 22 day of August, 2021.
